

261B.3A Requirements.

1. In order to register, a school shall be accredited by an agency or organization approved or recognized by the United States department of education or a successor agency, be approved by any other state agency authorized to approve the school in this state, and, subsequently, be approved for operation by the commission.

2. A practitioner preparation program operated by a school that applies to register the program in accordance with this chapter shall, in order to register, be accredited by an agency or organization approved or recognized by the United States department of education or a successor agency, be approved by the state board of education pursuant to section 256.7, subsection 3, and, subsequently, be approved for operation by the commission.

3. Nothing in this chapter shall be construed to exempt a school from the requirements of chapter 490 or 491.
